Spelfabet
"short" vowels
game

Instructions

- * A game for two players.
- * Decide if you'll accept names, slang and other non-dictionary words, if put in a proper sentence.
- * Deal one of each vowel/orange card (a, e, i, o, u) to each player.
- * Shuffle and deal the other cards.
- * Each player makes one word from each orange card, by putting green cards before it, and/or red cards after it (no swear words!).
- * Once both players have made five words, take turns to change each other's words into new words by replacing a green or red card with one of your leftover cards, or adding a leftover card.
- * Continue until neither player can make any more new words.
- * The person with the fewest cards left is the winner.
